

# 4. Verwilderingstuin

- |   |   |
|---|---|
| 1. <i>Montia sibirica</i>                         | 25. <i>Geranium nodosum</i>                             |
| 2. <i>Hosta sieboldii</i>                         | 26. <i>Rodgersia podophylla</i>                         |
| 3. <i>Osmunda regalis</i> 'Gracilis'              | 27. <i>Rhododendron</i>                                 |
| 4. <i>Kalmia latifolia</i>                        | 28. <i>Lysimachia nummularia</i>                        |
| 5. <i>Houttuynia cordata</i> 'Plena'              | 29. <i>Vancouveria</i>                                  |
| 6. <i>Waldsteinia ternate</i>                     | 30. <i>Malus</i>  |
| 7. <i>Carex morrowii</i> 'Variegata'              | 31. <i>Vancouveria</i> + <i>Montia sibirica</i>         |
| 8. <i>Hydrangea macrophylla</i>                   | 32. <i>Tiarella</i> 'Pinwheel'                          |
| 9. <i>Rhododendron</i>                            | 33. <i>Aruncus aethusifolius</i>                        |
| 10. <i>Epimedium grandiflorum</i>                 | 34. <i>Lamium orvala</i> 'Album'                        |
| 11. <i>Berberis</i> H                             | 35. <i>Asperula taurina</i>                             |
| 12. <i>Hydrangea macrophylla</i> 'White Wave'     | 36. <i>Vinca minor</i> + <i>Doronicum pardalianches</i> |
| 13. <i>Asperula tinctoria</i>                     | 37. <i>Taxus baccata</i>                                |
| 14. <i>Symphytum grandiflorum</i> 'Blaue Glocken' | 38. <i>Prunus laurocerasus</i>                          |
| 15. <i>Rhododendron</i>                           | 39. <i>Viburnum opulus</i>                              |
| 16. <i>Laburnum watereri</i> 'Vossii'             | 40. <i>Viola soraria</i> + <i>Trillium grandiflorum</i> |
| 17. <i>Azalea</i>                                 | 41. <i>Hydrangea macrophylla</i> 'Lennarth's White'     |
| 18. <i>Matteucia struthiopteris</i>               | 42. <i>Pieris</i>                                       |
| 19. <i>Crataegus</i>                              | 43. <i>Spiraea veitchii</i>                             |
| 20. <i>Caulophyllum thalictroides</i>             | 44. <i>Symphoricarpos albus</i>                         |
| 21. <i>Hydrangea aspera</i>                       | 45. <i>Stylophorum diphyllum</i>                        |
| 22. <i>Persicaria amplexicaule</i> 'Alba'         | 46. <i>Sarcococca humilis</i>                           |
| 23. <i>Astilbe</i> 'Erika'                        | 47. <i>Campanula lactiflora</i> 'Alba'                  |
| 24. <i>Lunaria rediviva</i>                       | 48. <i>Smilacina racemosa</i>                           |

49. *Rhododendron impeditum*
50. *Kirengeshoma palmate*
51. *Prunus padus* 'Colorata'
52. *Ilex ciliospinosa*
53. *Euonymus vegetates*
54. *Luzula sylvatica*
55. *Cornus mas*
56. *Betula*
57. *Lamiastrum galeobdolon* 'Florentinum'
58. *Corylus avellana*
59. *Azalea*
60. *Rhododendron*
61. *Prunus*
62. *Oxalis acetocella*
63. *Corydalis solida*
64. *Ilex aquifolium*
65. *Ribes alpinum*
66. *Mahonia wagneri* 'Pinnacle'
67. *Onoclea sensibilis*
68. *Hydrangea sargentiana*
69. *Persicaria weyrichii*
70. *Osmunda regalis*
71. *Athyrium*
72. *Uvularia grandiflora*
73. *Rhododendron* + *Hedera helix*
74. *Sorbus aucuparia*
75. *Stephanandra incisa* 'Crispa'
76. *Persicaria bistorta*
77. *Kerria japonica*
78. *Cornus kousa*
79. *Azalea* + *Anemone nemorosa*
80. *Trachystemon orientalis*
81. *Acer palmatum* 'Dissectum'
82. *Myrrhis odorata*
83. *Galium odoratum*
84. *Aruncus dioicus*
85. *Persicaria polymorpha*
86. *Epimedium x rubrum*
87. *Brunnera macrophylla*
88. *Pyrus calleryana* 'Chanticleer'
89. *Acer tataricum* subsp. *Ginnala*
90. *Petasites albus*  
+ *Dryopteris filix-mas* 'Linearis'
91. *Actea racemosa*
92. *Chelone obliqua*
93. *Hosta sieboldiana* 'Elegans'
94. *Astilbe* 'Bremen'
95. *Lamium orvala* 'Album'
