

## 4. Verwilderingstuin

- |  |   |
|--|---|
| 1. <i>Montia sibirica</i>                          | 25. <i>Geranium nodosum</i>                             |
| 2. <i>Hosta sieboldii</i>                          | 26. <i>Rodgersia podophylla</i>                         |
| 3. <i>Osmunda regalis</i> 'Gracilis'               | 27. <i>Rhododendron</i>                                 |
| 4. <i>Kalmia latifolia</i>                         | 28. <i>Lysimachia nummularia</i>                        |
| 5. <i>Houttuynia cordata</i> 'Plena'               | 29. <i>Vancouveria</i>                                  |
| 6. <i>Waldsteinia ternata</i>                      | 30. <i>Malus</i>  |
| 7. <i>Carex morrowii</i> 'Variegata'               | 31. <i>Vancouveria</i> + <i>Montia sibirica</i>         |
| 8. <i>Hydrangea macrophylla</i>                    | 32. <i>Tiarella</i> 'Pinwheel'                          |
| 9. <i>Rhododendron</i>                             | 33. <i>Aruncus aethusifolius</i>                        |
| 10. <i>Epimedium grandiflorum</i>                  | 34. <i>Lamium orvala</i> 'Album'                        |
| 11. <i>Berberis</i>                                | 35. <i>Asperula taurina</i>                             |
| 12. <i>Hydrangea macrophylla</i> 'White Wave'      | 36. <i>Vinca minor</i> + <i>Doronicum pardalianches</i> |
| 13. <i>Asperula tinctoria</i>                      | 37. <i>Taxus baccata</i>                                |
| 14. <i>Symphytum grandiflorum</i> 'Blauwe Glocken' | 38. <i>Prunus laurocerasus</i>                          |
| 15. <i>Rhododendron</i>                            | 39. <i>Viburnum opulus</i>                              |
| 16. <i>Laburnum watereri</i> 'Vossii'              | 40. <i>Viola sororia</i> + <i>Trillium grandiflorum</i> |
| 17. <i>Rhododendron</i>                            | 41. <i>Hydrangea macrophylla</i> 'Lanarth White'        |
| 18. <i>Matteucia struthiopteris</i>                | 42. <i>Pieris</i>                                       |
| 21. <i>Hydrangea aspera</i>                        | 43. <i>Spiraea veitchii</i>                             |
| 23. <i>Astilbe</i> 'Erika'                         | 44. <i>Symphoricarpos albus</i>                         |
| 24. <i>Lunaria rediviva</i>                        | 45. <i>Stylophorum diphyllum</i>                        |

46. *Sarcococca humilis*
47. *Campanula latifolia* 'Alba'
48. *Smilacina racemosa*
49. *Rhododendron impeditum*
50. *Kirengeshoma palmata*
51. *Prunus padus* 'Colorata'
52. *Ilex ciliospinosa*
53. *Euonymus vegetus*
54. *Luzula sylvatica*
55. *Cornus mas*
56. *Betula*
57. *Lamiaeum galeobdolon* 'Florentinum'
58. *Corylus avellana*
59. *Rhododendron*
60. *Rhododendron*
61. *Prunus*
62. *Oxalis acetosella*
63. *Corydalis solida*
64. *Ilex aquifolium*
65. *Ribes alpinum*
66. *Mahonia wagneri* 'Pinnacle'
67. *Onoclea sensibilis*
68. *Hydrangea aspera* subsp. *sargentiana*
69. *Luzula nivea* 'Schattenkind'
70. *Osmunda regalis*
71. *Athyrium filix-femina*
72. *Hedera helix*
73. *Rhododendron* 'Catawbiense Grandiflorum'
76. *Persicaria bistorta*
79. *Azalea* + *Anemone nemorosa*
80. *Trachystemon orientalis*
81. *Acer palmatum* 'Dissectum'
82. *Myrrhis odorata*
83. *Galium odoratum*
84. *Aruncus dioicus*
85. *Persicaria polymorpha*
86. *Epimedium x rubrum*
87. *Brunnera macrophylla*
88. *Pyrus calleryana* 'Chanticleer'
89. *Acer tataricum* ssp. *ginnala*
90. *Petasites albus*  
+ *Dryopteris filix-mas* 'Linearis'
91. *Actaea racemosa*
92. *Chelone obliqua*
93. *Hosta sieboldiana* 'Elegans'
95. *Lamium orvala* 'Album'
96. *Pyrus communis* 'Emile d'Heyst'
97. *Malus domestica* 'Rode Herfstcalville'
